Doug –

We would like to meet with you and your staff to present and discuss the progress to date on the Long Term Control Plan Update. We will likely need to reserve 2.5 hours for the meeting and will come down to your office. Below are days/times we are available. Please let me know if any of these days work for you and what time you'd like to meet. We would prefer to keep meeting times between 9am – 5pm.

Tues Feb 16 – morning
Thurs Feb 18 – morning or afternoon
Fri Feb 19 – morning or afternoon

Thanks!
